#### **OPERATIONS & PROSPECTS**

The existing notified SEZs are now deemed to be "Multi Sector SEZ" as per the notification issued by the Ministry of Commerce & Industries on 17<sup>th</sup> December, 2019. Your Company is considering various options for utilization of land along with the structures made thereon for other industries including the leather and allied industries and possible use of the SEZ and benefits available thereon. Your Company is in discussion with relevant SEZ authority on the alternate uses of the Bantala SEZ, the benefits and incentives available in case the facility is used for alternate purpose.

Your Company has published an advertisement inviting interest from the Garment Manufacturers and Exporters to avail the space on lease. Though certain response was received, the same was not found favourable. Your Company is looking for utilizing the said space.

As on March 31, 2021, the total cost incurred including land is Rs. 4,861.35 Lakhs.

#### **GLOBAL PANDEMIC - COVID-19**

The outbreak of Coronavirus (COVID-19) pandemic globally and in India is significantly affecting business operation of the companies, by way of interruption in production, supply chain disruption, unavailability of personnel, closure / lock down of production facilities etc. The management is of the opinion that by allowing use of land for multi sector instead of IT sector in the Special Economic Zone has improved economic use and business prospects, which is delayed due to COVID-19 pandemic. Your Company has started looking various options and hopeful to get positive response in near future and do not foresee cash flow problem.

#### **MATERIAL CHANGES AND COMMITMENTS AFFECTING FINANCIAL POSITION OF THE COMPANY**

No material changes and commitments have occurred after the close of the financial year till the date of this Report, which affect the financial position of the Company.

**DIVIDEND**

Your directors do not recommend any dividend for the year ended March 31, 2021.

## **Independent Auditors' Report**

To the Members of  
**DHUNSERI INFRASTRUCTURE LIMITED**

### **Report on the Audit of the Financial Statements**

#### **Opinion**

We have audited the accompanying Financial Statements of **DHUNSERI INFRASTRUCTURE LIMITED** ("the Company"), which comprise the Balance Sheet as at 31st March, 2021, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Cash Flow Statement for the year then ended, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, the **loss** and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

#### **Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

## **Information Other than the Financial Statements and Auditor's Report thereon**

The Company's management and Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report, but does not include the Financial Statements and our auditor's report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

## **Responsibility of Management for the Financial Statements**

The Company's management and Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Financial Statements that give a true and fair view of the state of affairs, profit/loss (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

## **Auditor's Responsibility for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As a part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system with reference to Financial Statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

#### **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies "(Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013. We enclose in the Annexure-A statement on the matters specified in paragraphs 3 and 4 of the said Order.
2. As required by section 143 (3) of the Act, we report that:
  - i. We have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - ii. In our opinion, proper books of account as required by law have been kept by the company so far as appears from our examination of those books.
  - iii. The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Cash Flow statement dealt with by this report are in agreement with the books of account;

- iv. In our opinion, the aforesaid financial statements comply with the specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
  - v. On the basis of written representations received from the directors, as on 31st March, 2021 and taken on record by the Board of Directors, we report that none of the directors is disqualified as on 31st March, 2021 from being appointed as a director in terms section 164(2) of the Companies Act, 2013.
  - vi. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the Operating effectiveness of such control refer to our separate report in "Annexure B"; and
- B. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- a. The Company does not have any pending litigations as on balance sheet date which would impact its financial position;
  - b. The Company does not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and
  - c. There is no amount that is required to be transferred to the Investor Education and Protection Fund by the Company, during the year ended March 31, 2021.

C. With respect to the matter to be included in the Auditors' Report under Section 197(16) of the Act:

In our opinion and according to the information and explanations given to us, the company has not paid any remuneration to its directors during the current year. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) which are required to be commented upon by us.

**Annexure-B to the Independent Auditor's Report of even date on The Financial Statements of Dhunseri Infrastructure Limited**

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **DHUNSERI INFRASTRUCTURE LIMITED** ("the Company") as of March 31, 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

**Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

## Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that,

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

## Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

## Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India"

## **Company Overview**

Dhunseri Infrastructure Limited having its Registered Office at "Dhunseri House", 4A Woodburn Park, Kolkata - 700020 is engaged in the business of Construction and Infrastructure Development. The company is developing a Project in Mouza – Gangapur, J. L. NO. 35, within the jurisdiction of Kolkata Leather Complex (previously Bhangar), P. S. – Kolkata Leather Complex, District – South 24 Paraganas, which is in the process of completion.

The Company is a wholly owned subsidiary of Dhunseri Ventures Limited (erstwhile Dhunseri Petrochem Limited). These financial statements were approved and adopted by Board of Directors of the Company in their meeting held on 01.06.2021.

## **Note 1: Significant accounting policies**

This note provides a list of the significant accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

### **1.1 Basis of Preparation**

#### **1.1.1 Compliance with IND AS**

The financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act.

The financial statements up to year ended 31 March 2021 were prepared in accordance with the accounting standards notified under Companies (Accounting Standard) Rules, 2006 (as amended) and other relevant provisions of the Act.

### **1.2 Accounting for Taxes on Income**

Current tax is determined in accordance with the provision of Income Tax Act, 1961

Management periodically evaluates positions taken in tax returns with respect of situation in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Deferred Tax has been recognised for all timing differences, subject to consideration of prudence in respect of Deferred Tax Assets.

### **1.3 Income recognition**

(a) Income is recognized as per IndAS 115 "Revenue from Contracts with customers".

#### **(b) Other Income**

Interest Income is recognised on time proportion basis taking into account the amount outstanding and the rate applicable and recognized on accrual basis.

#### **1.4 Property, Plant and Equipment**

All items of property, plant and equipment are stated at historical cost/ deemed cost as on the date of transition less Amortization. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit and loss during the reporting period in which they are incurred.

The fair value of capital work in progress is same as carrying cost.

#### **1.5 Depreciation And Amortisation**

Leasehold land is amortised under the straight line method over the period of lease.

#### **1.6 Impairment of Assets**

The carrying amounts of assets are reviewed at each Balance Sheet date to determine if there is any indication of impairment based on internal / external factors. An impairment loss is recognized whenever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the net selling price and value in use. In assessing the value in use, the estimated future cash flows are discounted to their present value based on an appropriate discount factor. The impairment loss recognized in the prior accounting years is reversed if there has been a change in the estimate of recoverable amount.

#### **1.7 Provision and Contingent Liabilities**

Provisions are recognised when there is a present obligation as a result of a past event, it is probable that an outflow of resources will be required to settle the obligation and in respect of which reliable estimate can be made.

Contingent Liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or reliable estimate of the amount cannot be made.

#### **1.8 Estimates and Assumptions**

The preparation of financial statements require the management of the Company to make estimates and assumptions that affect the reported balances of assets and liabilities as at the date of the financial statements and reported amounts of income and expenses for the reporting period. The management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ from these estimates. Any revision to accounting estimates is recognised prospectively in the current and future periods.

The said estimates are based on the facts and events that existed as at the reporting date or that occurred after the date but provide additional evidence about conditions existing as at the repoting date.

#### **1.9 Functional and Presentation Currency**

Items included in the financial statements of the company are measured using the currency of the primary economic environment in which the Company operates ('functional currency'). The financial statements are presented in Indian rupees (Rs.), which is the Company's functional and presentation currency.

### **1.10 Lease**

#### **The Company as lessee**

At the inception of the contract, the Company assesses whether a contract contains a lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. For the purpose of identifying if a contract contains a lease, the Company assesses whether:

- (i) the contract involves the use of an identified asset
- (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease, and
- (iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except in case of low value leases and short term leases (a term of less than twelve months) wherein the lease payments are recognized as an operating expense on a straight-line basis over the term of the lease.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates.

Certain lease arrangements includes the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment if whether it will exercise an extension or a termination option.

The right-of-use assets are initially recognized at cost. Cost includes the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the useful life of the underlying asset or the lease term whichever is shorter. Right of use assets are tested for impairment whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable.

Effective April 1, 2019, the Company adopted Ind AS 116 "Leases" and applied the standard to lease contracts existing on April 1, 2019 using the modified retrospective method. Consequently, the Company recorded the lease liability at the present value of the lease payments discounted at the incremental borrowing rate and the right of use asset at its carrying amount as if the standard had been applied since the commencement date of the lease, but discounted at the Company's incremental borrowing rate at the date of initial application. Comparatives as at and for the year ended March 31, 2020 have not been retrospectively adjusted and therefore will continue to be reported under the accounting policies included as part of Company's Financial Statement for year ended March 31, 2021.

On transition, the adoption of the new standard resulted in recognition of 'Right of Use' asset of Rs.75,649/- , and a lease liability of Rs.75,649/- in the FY 2019-20.

14 The Company was developing IT complex in the IT SEZ area on the lease hold land having area 3.03 acres and on adjacent land having area of 2.02 acres owned by Mint Investments Limited and 1.01 acres owned by Bonanza Trading Co. Pvt. Ltd respectively. It was mutually agreed initially that all the development work will be carried out by the company and after completion of the construction, the operating revenue and expenses will be shared in the ratio of 25:2:1 amongst each of the three companies i.e. Dhunseri Infrastructure Limited, Mint Investments Limited and Bonanza Trading Co. Pvt. Ltd. which is subject to revision based on transfer pricing study once project starts generating revenue.

15 Company was allotted Land in Special Economic Zone (IT SEZ) exclusively for development of IT and ITES. The Ministry of Commerce and Industry (Department of Commerce) vide notification dated 17th December 2019, notifies that all existing notified Special Economic Zone shall be deemed to be a multi sector Special Economic Zone. It is explained that "multi sector Special Economic Zone means a Special Economic Zone for more than one sector where units may be setup for manufacture of goods falling in two or more sectors or rendering of services falling in two or more sectors or any combination thereof including trading and warehousing.

**16 GLOBAL PANDEMIC - COVID-19**

The outbreak of second wave of COVID-19 pandemic in India is significantly affecting business operation of the companies, by way of interruption in production, supply chain disruption, unavailability of personnel, closure / lock down of production facilities etc. The management is of the opinion that by allowing use of land for multi sector instead of IT sector in the Special Economic Zone has improved economic use and business prospects, which is delayed due to COVID-19 pandemic.

The Company has published an advertisement inviting interest from the Garment Manufacturers and Exporters to avail the space on lease. Though certain response was received, the same was not found favourable. The company is looking for various other options and donot foresee cash flow problem in completing the project as per the requirement of the lessee. Accordingly, accounts are prepared on going concern basis.

- 17 An external valuers were appointed by the Company to assess the fair value of assets and as per their assessment, the fair value of assets is higher than the carrying amount of the assets as at 31st March, 2021. Accordingly, provision for impairment loss is not required.

## 18 Financial risk management

The Company has exposure to the following risks arising from financial instruments:

- credit risk ;
- liquidity risk ; and
- market risk.

### i. Risk management framework

The Company is exposed to normal business risks from changes in market interest rates and from non-performance of contractual obligations by counterparties. The Company does not hold or issue derivative financial instruments for speculative or trading purposes.

Risk management is integral to the whole business of the Company. The Company has a system of controls in place to create an acceptable balance between the cost of risks occurring and the cost of managing the risks. The management continually monitors the Company's risk management process to ensure that an appropriate balance between risk and control is achieved.

### ii. Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers. As the at 31st March, 2021, these trade receivable aggregates to NIL.

### iii. Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due. Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows.

As of 31 March 2021, the Company had cash and bank balances of Rs 0.06 lacs. As of 31 March 2020, the Company had cash and bank balances of Rs 3.25 lacs.
